

WOMAN ENDS LIFE WITH PISTOL SHOT

Mrs. Nauwens Became Despondent When Baby Died, Husband Says.

Mrs. Kitty Nauwens, a handsome young woman, twenty-two years old, was found by her husband, Henry, early to-day with a bullet wound through her heart. In her right hand she clutched a revolver. He body lay across the bed in the young couple's apartment, at No. 210 Knickerbocker avenue, Williamsburg.

woman must have shot herself as early as 9 o'clock.

Nauwens told the police of the De Kalb avenue station that he had no doubt that his wife committed suicide. He said he had married her a year and a half ago and that she had always been cheerful until an infant child died, soon after its birth, about three weeks ago. Since that time, he said, she had brooded and even threatened to take her life. He says he believes that worry and grief over the death of her child caused temporary insanity.
